Abstracts to be considered for 2010 AAHKS Awards should be submitted by the April 15, 2010 deadline. Authors must meet all other requirements for abstract submission. Instructions will be posted at [www.aahks.org](http://www.aahks.org) in December 2009.

Interested authors must submit full-length manuscript in electronic format by June 30, 2010 for consideration by the Education Committee. Papers will be judged on scientific quality and clinical impact.

Award winners will be notified in August 2010, prior to the November 5-7, 2010 AAHKS Annual Meeting.
