

# HOW CAN YOU HELP PROTECT ACCESS TO MEDICARE?

Millions of Americans rely on Medicare for their health care coverage. Unfortunately, the Medicare physician payment system is on an unsustainable path, putting physician practices and patient access to care at risk.

## GET INVOLVED

We need your help passing House of Representatives (H.R.) Bill 2474, *the Strengthening Medicare for Patients and Providers Act*, to protect access to life improving joint replacement surgeries.

## Follow QR code

To learn more about H.R. Bill 2474 and protect access to joint replacement surgeries.

## Write to congress

In a few easy steps you can write to your congressional members to assist with meaningful payment reform.
