

# AAHKS Women in Arthroplasty Revision Hip Lab Course

Join us for a comprehensive hands-on cadaver course that will deliver innovative strategies for preoperative, intraoperative and surgical delivery in the management of revision total hip arthroplasty. This course will be led by female faculty members and highlight emerging technology, extensile approaches, pelvic reconstruction and femoral revisions.

Learn advanced techniques and surgical management both through the anterior and posterior approach from renowned experts as you acquire the skills and strategies needed for challenging revision surgeries.

**Date:** November 7, 2024  
**Check-in:** 2:30 p.m. – 3:30 p.m.  
**Course:** 3:30 p.m. – 5:30 p.m.  
**Location:** Convention Center Circle Dr.

Linda I. Suleiman, MD  
Course Director
