

OrthoEvidence<sup>+</sup>

# Did you know?

OrthoEvidence offers three email subscriptions.

Learn more about each and discover how to customize the content you receive.

1

## the Pulse

**Curated Clinical Magazine**

A weekly editorial curating what matters most in orthopaedics—new evidence, emerging technologies like AI, expert voices, and ideas shaping modern orthopaedics.

**Best for:** High-impact evidence, emerging ideas, and insight that informs clinical practice.

 Weekly

2

## OrthoUpdate<sup>+</sup>

NEW

**Evidence tailored to your practice**

A weekly, personalized digest of key ACE Reports, analysis, and podcasts matched to your subspecialty interests — so you see only what's relevant to how you practice.

**Best for:** Staying current, without searching journals.

 Weekly

3

## FASTRACK

**See What Your Peers Are Reading**

Fast Track highlights the most-read ACE Reports within your association or community, showing which studies are getting the most attention right now.

**Best for:** Knowing what's influencing practice locally and globally.

 Monthly
